

## Partnership Summary – CPAs and Accountants

GMGS Consulting works with CPAs and Accountants throughout the United States, providing a true value-added component to their practice. Benefits from partnering with GMGS Consulting include:

- Brand your CPA firm as Tax Reduction Specialist
- Attract new clients with a market-differentiating message
- Solidify current clients relationships and loyalty
- Increase billable hours associated with incorporating GMGS Consulting tax studies into your client's tax returns
- Generate new revenue streams and increased profitability from marking up GMGS's tax studies

## Specialized Tax Incentives

GMGS Consulting Specialized Tax Incentive Group is a dynamic team of legal, tax and engineering professionals that produces the technical documentation required by manufactures and other business to safely procure specialized tax incentives.

We produce Studies to support the following specialized tax strategies:

- Engineered Based Cost Segregation
- R & D Tax Credit (Section 41)
- DPD (Section 199)
- Real and Personal Property Tax Mitigation
- Energy Policy Act of 2005 (Section 179D)
- IC-DISC Export Benefit
